

Hospital & Healthcare Consultants

Erudio Solutions Private Limited

PROVIDING SOLUTIONS BY SHARING KNOWLEDGE IN HEALTHCARE

ABOUT US

Erudio Solutions is a professionally managed consultancy organization specializing in hospital and healthcare, promoted by a team of young & dynamic professionals. The combined strength of these professionals, 'Team Erudio', forms the core strength of the organization. Individually, the team members have excelled in their respective fields of expertise and specialties.

The Company derives its name from a Latin word i.e. **Erudio**. The word Erudio means imparting knowledge, to educate, to teach be it individual or society. The motto of ESPL is to provide solutions for everything by imparting knowledge.

Erudio solutions believes that "Health is a state of physical, mental and social well-being and not just mere absence of diseases" which can be only be achieved by imparting knowledge all across the society.

The company undertakes professional consultancy / turn - key project consultancy for hospital planning from the concept formation stage to the commissioning through strategic planning, operational plan, equipment planning, manpower planning, architectural & services planning / designing of the proposed hospital building, financial planning marketing, operation of the hospital after commissioning, helps in preparation for Quality Accreditations Like NABH, NABL, ISO, JCI, SIX SIGMA LEAN, and Handhold to establish department of Medical Education at various levels (Post Graduate Medical Education, Nursing, Paramedical, Dental, Ayurvedic, etc).

ESPL is associated with some of the most reputed names in healthcare industry & is actively involved in various areas with more than half a century of hospitals / institutes across India.
